It is critical to keep small personal cars out of the Band Parking. Band parents bringing food can enter this area, but they must leave after dropping off food or park in the grass in the Northeast corner of the parking lot.

If additional room is needed for bus parking, buses will park at the Church of Christ parking lot across 121. Students will be dropped off with equipment, and bus drivers will be shuttled back to FoC after parking.

\*Each band gets a space 3 parking-spaces wide; leave 2 parking-spaces between every band
